The CMW Christian County chart is compiled from spin and rotation reports supplied by reporting stations, which are weighted by market size. Spins in large markets count for more than spins in small markets. The bullet (●) = upward movement. Pts represents a percentile score and Chg represents the score change from last issue. This chart was calculated with the latest data supplied by deadline of 5 pm, October 2, 2006.

HOTTEST

- 1 Just Enough Faith/Clifton Jansky
- 2 Some People Change/Montgomery Gentry
